2024

Race Vendor Opportunities

IF ONLY WE KNEW...

To honor Sierra Marie Krizman, who passed away on April 10, 2007, of Bacterial Meningitis, we will be hosting our **17th Annual 5K Run/Walk**. The race will be held on **Saturday, June 15th, 2024**, at Foundations Church in Loveland, Colorado.

Watching Sierra go from a healthy, energetic, beautiful 20 year-old, to being on a ventilator and fighting for her life, all within 24 hours, only later to find out that she had died from a vaccine-preventable disease was absolutely heartbreaking. Bacterial Meningitis is a fatal disease that can affect **anyone**. Although, we can't change what happened to Sierra, and all of the other victims of this devastating disease, we can try to prevent this horrible tragedy from happening to anyone else. 100% of the race proceeds are used to promote meningitis awareness and provide **FREE** vaccinations for those in need.

"We've proudly donated our massage services on race day since 2008. For us, Sierra's Race isn't about the exposure or new patients it generates for our business each year. Sierra worked for Scott Family Health for two years. During that time, she always had a smile on her face, a kind word for every one of our patients, and a servant's heart. We support Sierra's Race because it's a great way for us to honor her memory and give back to our community."
